A Great Start to 2012

2012 began with a lot of excitement. We sent New Year's Grams to each other and raised \$489. We used \$200 to assist Ntinda Primary School in Uganda in creating a web site. You can check out the site at www.ntindaprimarieschool.com. On April 13 we will host a Dance-a-thon for all elementary students to raise funds to purchase computers for Ntinda Primary School. We will have \$289 to start our fundraiser from our New Year's Grams. At this time they have no computers at their school. We hope to see everyone on April 13 from 6:30-8:00. More information will be coming soon.

We hope to see everyone on February 1 or 2 for Culver's Night and February 10 for the Children's Memorial Hospital fundraiser organized by MacArthur. The event will be at Wheeling High School from 7:00-9:00 p.m. We will have our dance exhibition on Friday, February 17. Parent teacher conferences will be February 21 from 1:00-8:00 p.m. Teachers will be contacting those parents with whom they would like to conference. If you would like a conference, please contact your child's teacher. We hope to see everyone at Pizza Night on February 23.

We look forward to another great month of fabulous learning opportunities.

ISAT Testing

Beginning March 5 through March 16, all students in fourth and fifth grade take ISAT (Illinois Standards Achievement Test) testing. Students will be tested in reading and math. Fourth grade will also take a science test.

Please have your child get a good night of rest before taking the tests. Have your child eat a good breakfast on each of the testing days and bring a healthy snack. Bananas are a good snack to eat when testing because they provide a lot of energy.

Each teacher will have the schedule of when the students will be taking each test. If you have any questions, please contact your child's teacher or Ms. Gardiner.

Please ask your child to do his/her best and not to worry. We want each child to feel supported both at home and at school. Thank you.

Study Buddy Homework Center

The Prospect Heights Public Library offers homework help every Tuesday from 6:00-8:00 p.m. High school students volunteer to assist students with homework, reading aloud, reviewing math facts, and anything else they may need. The dates are January 24, 31, February 7, 14, 28, and March 6, 13.
